Consignment Terms :

1. Pearlman's Jewelers will acknowledge receipt of goods within 24 hours of the time they are delivered.
2. The goods will remain the property of the consignor until sold or returned at the consignor's request, subject to the terms and conditions laid forth here and in the consignment policy.
3. The seller will assume all costs associated with photographing, describing, uploading, and customer service related needs involved with the advertising and sale of the goods, not to include any refurbish, repair or alterations.

The shipping charges and any charges associated with the payment method used by the buyer (credit card, paypal) will be deducted from the consignor's proceeds of the sale.
6. The list price and minimum accepted price as determined in the attached consignment list will be adhered to by the consignor and the seller.
7. The seller agrees to pay, by check, the seller's portion of the proceeds of any sale at the completion of the sale, which includes the expiration of the return date for the goods sold.
